MEMORANDUM

DATE:

DEC 05 1991

DEC 6 12 32 PM '91

SUBJECT: Source Evaluation Technical Memorandum,
Olin Corporation, McIntosh Plant,
McIntosh, Washington County, Alabama;
ESD Project No. 92E-113

3 8 0625

FROM: Roger E. Carlton, Environmental Engineer
Hazardous Waste Section
Environmental Compliance Branch
Environmental Services Division

Roger E. Carlton

TO: Kenneth A. Lucas, RPM
AL/GA/MS Remedial Section
South Superfund Remedial Branch
Waste Management Division

THRU: William R. Bokey, Chief
Hazardous Waste Section
Environmental Compliance Branch
Environmental Services Division

The Source Evaluation Technical Memorandum, Olin Corporation, McIntosh Plant, McIntosh, Washington County, Alabama has been reviewed. This document pertains mostly to RCRA Closures and the Clean Water Act and does not pertain to items associated with field operations; therefore, I recommend that this document be reviewed by people associated with the above two acts.

If you have any questions or comments, please contact me at (404) 546-3351 or (FTS) 250-3351.
